App Installation

Our app is available online on the main app stores. Just search for the 3R app name in Japanese language or connect to the store using the QR Code on this flier.

「Do you have questions about waste sorting methods or collection calendars?」

With the 3R app you can search the appropriate method to sort and dispose of an item and you can set the app to notify you when you have to take your sorted waste and recyclables out to designated collection points.

Select your area

Please select Gunma →MAEBASHI and then the neighborhood where you side.

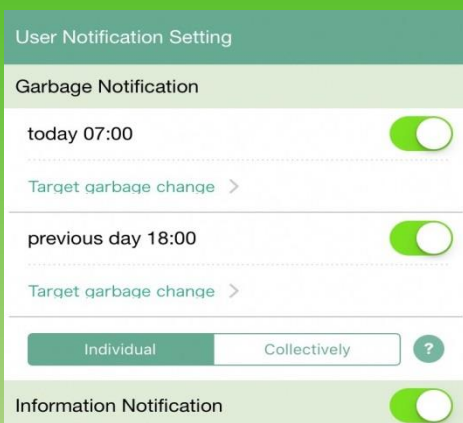

Check if the address you entered is correct and then proceed to tap "OK" to confirm.

NOTE

Sometimes, after you selected your neighborhood, you are asked to enter the number corresponding to your neighborhood collection calendar, which can be found on its printed version. If you cannot find the number, please feel free to call the Waste Reduction Division (027-898-6272) to confirm it.

Setting Push Notifications

【Collection day reminder】

Please tap ニュー (Menu) → 設定 (Settings) and then enable the push notifications from the app. You can also select the time you wish to receive the reminder.

【Real time Notices】

If you enable the app to send you notices, you will be able to receive information sent by Maebashi City about the waste and recyclables collection situation in case of typhoons, snow etc.
