1 : 9000

This map illustrates the urban layout of Maebashi City, specifically the Urbanization District. It shows the following features:

- Geographical Features:** The Arakawa River flows through the city, with the Maebashi Water Treatment Plant (中島浄水場) located on the island of Nakajima (中島町).
- Urban Planning Zones:** The map is color-coded to represent different land use zones, including residential areas (pink), commercial/industrial areas (yellow/green), and public facilities (blue).
- Key Locations and Landmarks:**
  - Stations:** Maebashi Station (前橋駅) and Maebashi Station East (前橋駅東).
  - Commercial/Industrial:** JAビル (JA Building), JAビル前橋みなみ (JA Building Maebashi Minami), and various industrial zones like 西善工業団地 (Sei-sen Industrial Park).
  - Public Facilities:** 文上陽小 (Fumi-kamiyō Elementary School), 角田病院 (Kakuta Hospital), and 中央自動車倉庫 (Central Motor Vehicle Warehouse).
- Infrastructure:** Major roads such as Route 27 (国道27号) and Route 40 (国道40号) are clearly marked. The map also shows the Maebashi Water Treatment Plant (中島浄水場) and the Maebashi Water Treatment Plant (中島浄水場).

The map is sourced from mapbox and includes a copyright notice for NTT Infrastructure.
